EXPERIENCE

2015 S **Beijing Particles Kitchen Inc.,
Intern Design Assistant**

Designed all the promotional materials, delivery packaging and website interface for this startup restaurant. The visual system I designed with existing logo and brand color is currently implemented as a style guide at the company.

2016 S **Steffian Bradley Architects,
Intern Design Assistant**

Assisted the leading graphic designer at the marketing department, designed materials including proposals layouts, presentation diagrams and several RFPs. Also coordinated jobs inside the office, (eg. material prep and contacting with outsources)

2014 - **China Children's Press &
Publication Group,
Freelance Illustrator**

Commissioned to illustrate a series of children's book covers.
